* Pursuant to L. 1988, ch 307, sec. 1, all agencies are to comply with federal law to request an individuals social security number. This is voluntary and will be used only for identification purposes.

The law requires that the fee for record and certificate be sent with application. When brands for cattle and horses are the same, only one fee shall be charged; but when different, two separate fees are required. There is no charge for an ear mark recorded with an originally recorded brand. Names of all persons in ranch or firm name registrations must be shown on application, except for corporations. Applications for corporations may be signed by one of the principal officers.

If it is impossible to record brand submitted, applicant will be notified.
